

If You Don't Have a Choice, You Don't Have a Voice.

In 2024 almost a third of Galenians left the bubble under House District 89 empty!

Elsewhere it was 1-in-5 who left it blank.

House District 89 deserves a campaign — not a coronation.

This will be the third election cycle in a row where the incumbent goes back to Springfield without ever having to defend her policy positions through a campaign.

- No opponent.
- No debates.
- No discussion.
- No choice.

I'm not asking you to vote for me — not yet. I'm asking you to help me get on the ballot so that the voters of HD-89 can have a **discussion**.

Sign the petition. That's it.

- Give your neighbors a choice.
- If you don't have a choice on the ballot, you can't even say you had a chance to vote in your own best interest.

What's Attached

Attached you will find two petition circulator sheets, with 10 lines on each. I'm just asking 300 people to get 10 signatures, so the second sheet is a spare. Please call or text me when you have one sheet full so that I can set you up with a notary and get it finalized for me to pick up.
